JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

subject to the supervising control of the commissioner of health, to do and perform all the things mentioned in section 3, subdivisions 1, 2, 3, and 4 of this act. (2) They shall have supervision over the local boards of health in their respective divisions. (3) They shall forward to the commissioner of health monthly reports of the communicable diseases occurring in their respective divisions as reported to them by physicians and others in accordance with section 12 of this act.

SEC. 5. *Local boards of health.*—Every school district outside of incorporated towns in the Territory shall, for the purpose of the act, become a health district, and in every such health district there shall be a board of health composed of the president of the school board and two citizens of said district, to be selected by the school board: *Provided*, That at least one member of the health board to be thus elected shall, whenever practicable, be a licensed physician.

2. The foregoing paragraph of this section shall apply and be in effect in each incorporated town in the Territory unless such town shall otherwise provide for the establishment and maintenance of a local board of health or a proper health officer.

3. That in any native village or community composed largely of natives, where the formation of a board of health, as above defined, is impracticable, any representative of the United States Bureau of Education shall have the authority and power granted to the local boards of health.

4. That the local boards of health outside of incorporated towns and any representative of the United States Bureau of Education acting in the capacity of health officer, as provided in the third paragraph of this section, shall be subordinate to and under the supervision of the assistant commissioner of health of their respective divisions, and shall, within their respective health districts, have all the powers mentioned in subdivisions 1, 2, 3, and 4 of section 3 of this act.

Communicable Diseases—Notification, Quarantine, Placarding, Etc. (Chap. 42, Act Apr. 28, 1913.)

SEC. 6. *Communicable diseases defined.*—For the purpose of this act persons or articles that have been infected with or exposed to the contagion or infection of plague, cholera, smallpox, yellow fever, typhus fever, leprosy, typhoid fever, scarlet fever, measles, diphtheria, infantile paralysis, cerebrospinal meningitis, erysipelas, whooping cough, glanders, and mumps shall be considered as capable of conveying contagious or infectious disease, and shall be subject to this act as hereinafter provided. All cases of pulmonary tuberculosis and trachoma, where the usual precautions to prevent the spread of the disease to others are willfully neglected and where other persons are liable to become infected on account of this negligence shall also be considered as capable of conveying contagious or infectious diseases.

SEC. 7. *Communicable diseases, notification of.*—Whenever any physician or nurse is called to treat any person suffering with any of the diseases mentioned in section 6 of this act, he or she shall isolate the case and immediately notify the local board of health.

SEC. 8. *Notification by the laity.*—Whenever any person knows or has reason to believe that any member of his family or household (boarder, roomer, or visitor) has any disease mentioned in section 6 of this act, he shall within 24 hours, if no physician is available, give notice thereof to the local board of health in the health district in which he resides. Such notice shall be given either verbally to one of the members of said board, or by a communication addressed to the board of health and duly mailed within the time specified.

SEC. 9. *Quarantine.*—The board of health upon receipt of the report of the existence of any of the diseases mentioned in section 6 of this act shall immediately investigate the case and if such disease shall isolate the patient, and if necessary, shall quarantine the house, rooms, or premises and take any other precautions needed to prevent the spread of the disease.

SEC. 10. *Placarding*.—Whenever a house, apartment, room, or premises are placed under quarantine, a placard shall be posted in a conspicuous place, giving the name of the disease and also containing the following quarantine order: "All persons are strictly forbidden to enter or leave these premises or to remove this notice without permission or orders from the board of health."

SEC. 11. *Disinfection*.—Upon the death, recovery, or removal of the person sick with any disease mentioned in section six of this act, the room in which said person was confined and such rooms as, in the opinion of the board of health, have been contaminated shall be cleansed and disinfected under the supervision of the board of health, the placard removed, and the quarantine released. The isolation, disinfection, and other preventive measures shall be performed as nearly as practicable according to methods indorsed and practiced by the United States Public Health Service as described in Public Health Bulletin No. 42, entitled, "Disinfectants, their use and application in the prevention of communicable diseases."

SEC. 12. *Diseases to be recorded*.—Every physician in the Territory of Alaska who shall prescribe for, or attend any person having smallpox, plague, yellow fever, cholera, typhus fever, leprosy, typhoid fever, scarlet fever, measles, chicken pox, diphtheria, infantile paralysis, cerebrospinal meningitis, erysipelas, whooping cough, glanders, mumps, tuberculosis in any form, or trachoma, shall, within 24 hours after first discovering the existence of such disease, make a report thereon in writing, to the assistant commissioner of health of the division in which the case appears, upon a blank form to be furnished by the commissioner of health in accordance with subdivision 6, of section 3 of this act; which report shall give the name, age, nativity, residence, date of attack, color, and the sex of the person having such disease, together with the character of the disease.

SEC. 13. *Communicable diseases in schools, etc.*—No child or person infected with any of the diseases in section 6, or any person residing in the same house in which any person may be located who is infected with any of the aforesaid diseases unless permitted by the health officer, shall be permitted to attend any public, private, parochial, Sunday or other school, church, factory, or any other place of assembly in the Territory; and health officers and persons in charge of such schools, etc., are hereby required to exclude any and all children and persons from such places; such exclusion shall continue until complete recovery of the person afflicted or until the health officer decides that the danger of infecting others no longer exists.

SEC. 14. *Penalty*.—Any person who interferes with a health officer in the performance of his duties, or any person who breaks quarantine or removes any placard without the permission of the board of health, and any person who knowingly violates any of the provisions of this act or any regulations or orders established or made by authority of this act unless it can be demonstrated to the satisfaction of the board of health that such compliance was an impossibility, shall upon conviction thereof be punished for each offense by a fine of not more than \$100, or by imprisonment not more than 50 days, or by both fine and imprisonment, and it is hereby made the duty of all United States marshals and their deputies as ex officio constables to assist in the enforcement of this act.

SEC. 15. *Expenses*.—Any necessary expenses incurred by any health officer or local board of health in the enforcement of this act outside of incorporated towns shall be paid, upon approval by the district judge, from funds derived from fines and forfeitures in the Territory of Alaska.

Nuisances—Pollution of Waters, Disposal of Refuse. (Act Apr. 30, 1913.)

SECTION 1. That section 160, chapter 10, of the act of Congress approved March 3, 1899, entitled "An act to define and punish crimes in the District of Alaska and to provide a penalty therefor," be amended to read as follows:

"SEC. 160. That any person, firm, or corporation who puts any dead-animal carcass, or part thereof, excrement, putrid, nauseous, noisome, decaying, deleterious, or
